Mr. James D. Laramore,
228 N. Willow St.,
Trenton, N. J.

Dear Laramore:

No doubt you have read some news by this time of the fact that the Eagles are planning to play the Cuban Stars at Dunn Field, Trenton, N. J. on Saturday, May 13th. You possibly wondered why I had not contacted you or sent some cards. The fact is that we did not decide until yesterday to play the game, and would not have had time to order cards and have them shipped and distributed.

We are gambling with the newspapers and Radio, hoping the day will be worthwhile. I will appreciate your co-operation in helping to publicize the game by talking it up.

I am enclosing you tickets for our Opening Game in Newark on Sunday, May 14th. Sincerely hope you will be able to use them.

Yours very truly,
